## BOOK SYNOPSIS

Anne Willan demystified classic French culinary technique for regular people who love food. Her legendary La Varenne Cooking School-in its original location in Paris and later in its longtime home in Burgundy-trained chefs, food writers and home cooks. Under Willans cheerful, no-nonsense instruction, anyone could learn to truss a chicken, make a bernaise, or loft a soufflé. In *One Soufflé at a Time*, Willan tells her story and the story of the food-world greats-including Julia Child, James Beard, Simone Beck, Craig Claiborne, Richard Olney, and others-who changed how the world eats and who made cooking fun. She writes about how a sturdy English girl from Yorkshire made it not only to the stove, but to France, and how she overcame the exceptionally closed male world of French cuisine to found and run her school. Willans story is warm and rich, funny and fragrant with the smells of the country cooking of France. Its also full of the creative culinary ferment of the 1970s-a decade when herbs came back to life and freshness took over, when the seeds of our modern day obsession with food and ingredients were sown. Tens of thousands of students have learned from Willan, not just at La Varenne, but through her large, ambitious *Look & Cook* book series and twenty-six-part PBS program. Now *One Soufflé at a Time* --which features fifty of her favorite recipes, from Coquille St. Jacques to Chocolate Snowball--brings Willans own story of her life to the center of the banquet table.
